

LEGAL NOTICE

The content on this website is informational in nature and is not intended as specific legal advice. Someone seeking legal advice should consult with an attorney licensed to practice in his or her jurisdiction. Steven A. Certilman is licensed to practice law in New York, Connecticut, Massachusetts and the District of Columbia only, and will not give advice on state law in any other localities. No attorney-client relationship may be formed where prohibited by law.

An attorney-client relationship is not formed by reading the pages of this website or by sending email to the attorney, but only by entering into a written retainer agreement. Visitors of this website should not act upon any information contained herein without seeking the advice of a licensed attorney. Steven A. Certilman, P.C. expressly disclaims all liability for actions taken or not taken based upon any content on this website. Please keep in mind we will not accept confidential information over the phone from potential clients until a formal agreement has been entered, which must be done in a face-to-face meeting with the attorney. Furthermore, we are under no obligation to respond to unsolicited communications and have no duty to keep confidential any information transmitted in such communications. Until we have entered into a formal agreement with you, we reserve the right to represent a party adverse to you in the very matter you have contacted us about handling.

This website contains links to other websites and information resources on the Internet. These links appear as a means of providing a convenient source of information to users viewing the website, but inclusion of these links should not be taken to mean that Steven A Certilman, P.C. is affiliated or associated with, or endorses, the hosts of such websites, nor does Steven A Certilman, P.C. guarantee the accuracy of the information contained on those sites. This website is posted for informational purposes and is not intended to be advertising.

Internet email is a non-secure mode of communication, and its use for transmitting confidential or sensitive information without encryption is strongly discouraged.
